System requirements

Hardware for WebEDI

Personal computer with:

Operation system	XP and 2000
CPU	min. 1,0 GHZ
RAM	min. 512 Mbyte
Graphics card	min. 1024x768 Pixel, with 256 colors
Monitor	17"
Hard disc	40 GB
Internet access	min. 64 Kbit

Software for WebEDI:

Browser	Microsoft Internet Explorer Version 6.0, also Netscape 7.02 perhaps with lower function or performance, Firefox 1.0.4
PDF-Reader	PDF 1.3 supporting Reader (e.g. Adobe Acrobat Reader Version 4.0)

Please take care by using "Google toolbar" with the deactivating of Pop ups. The pop ups are necessary for working with WebEDI. JavaScript has to be activated.
